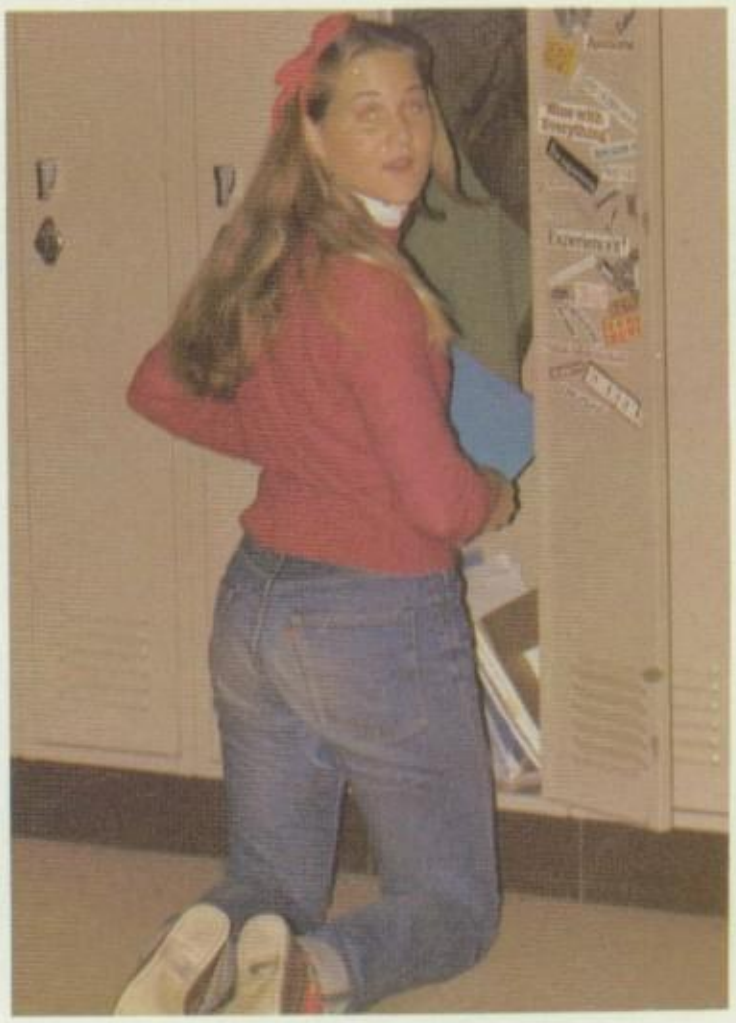
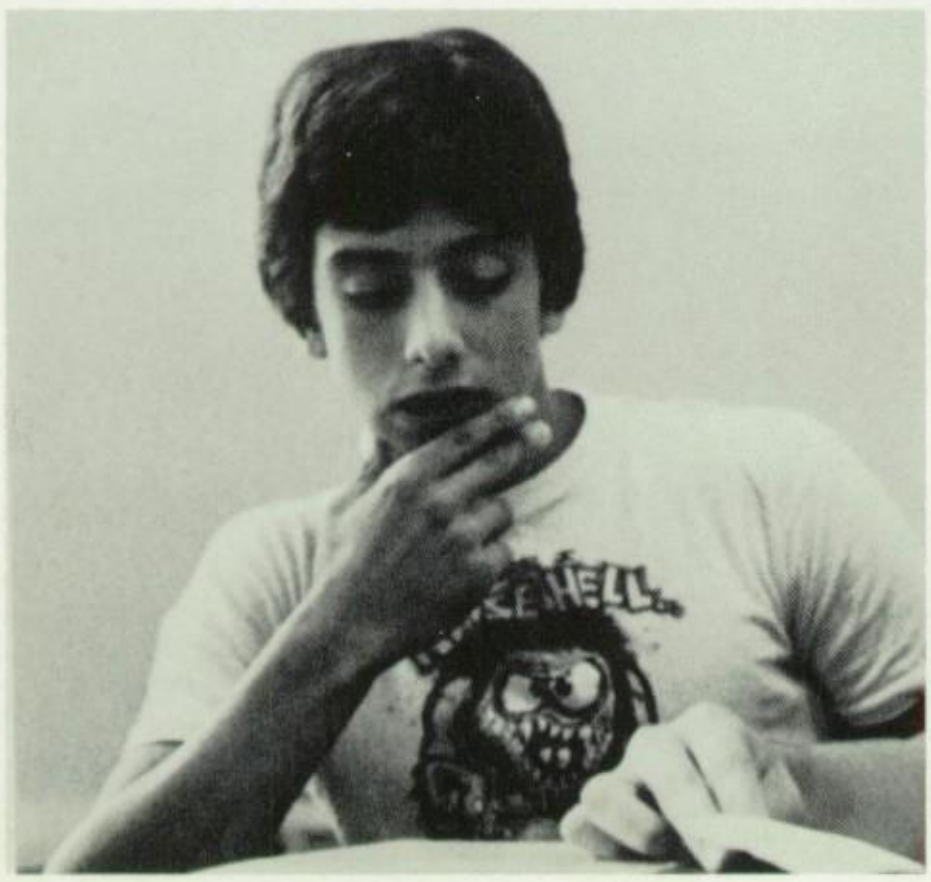
Acknowledgements 168

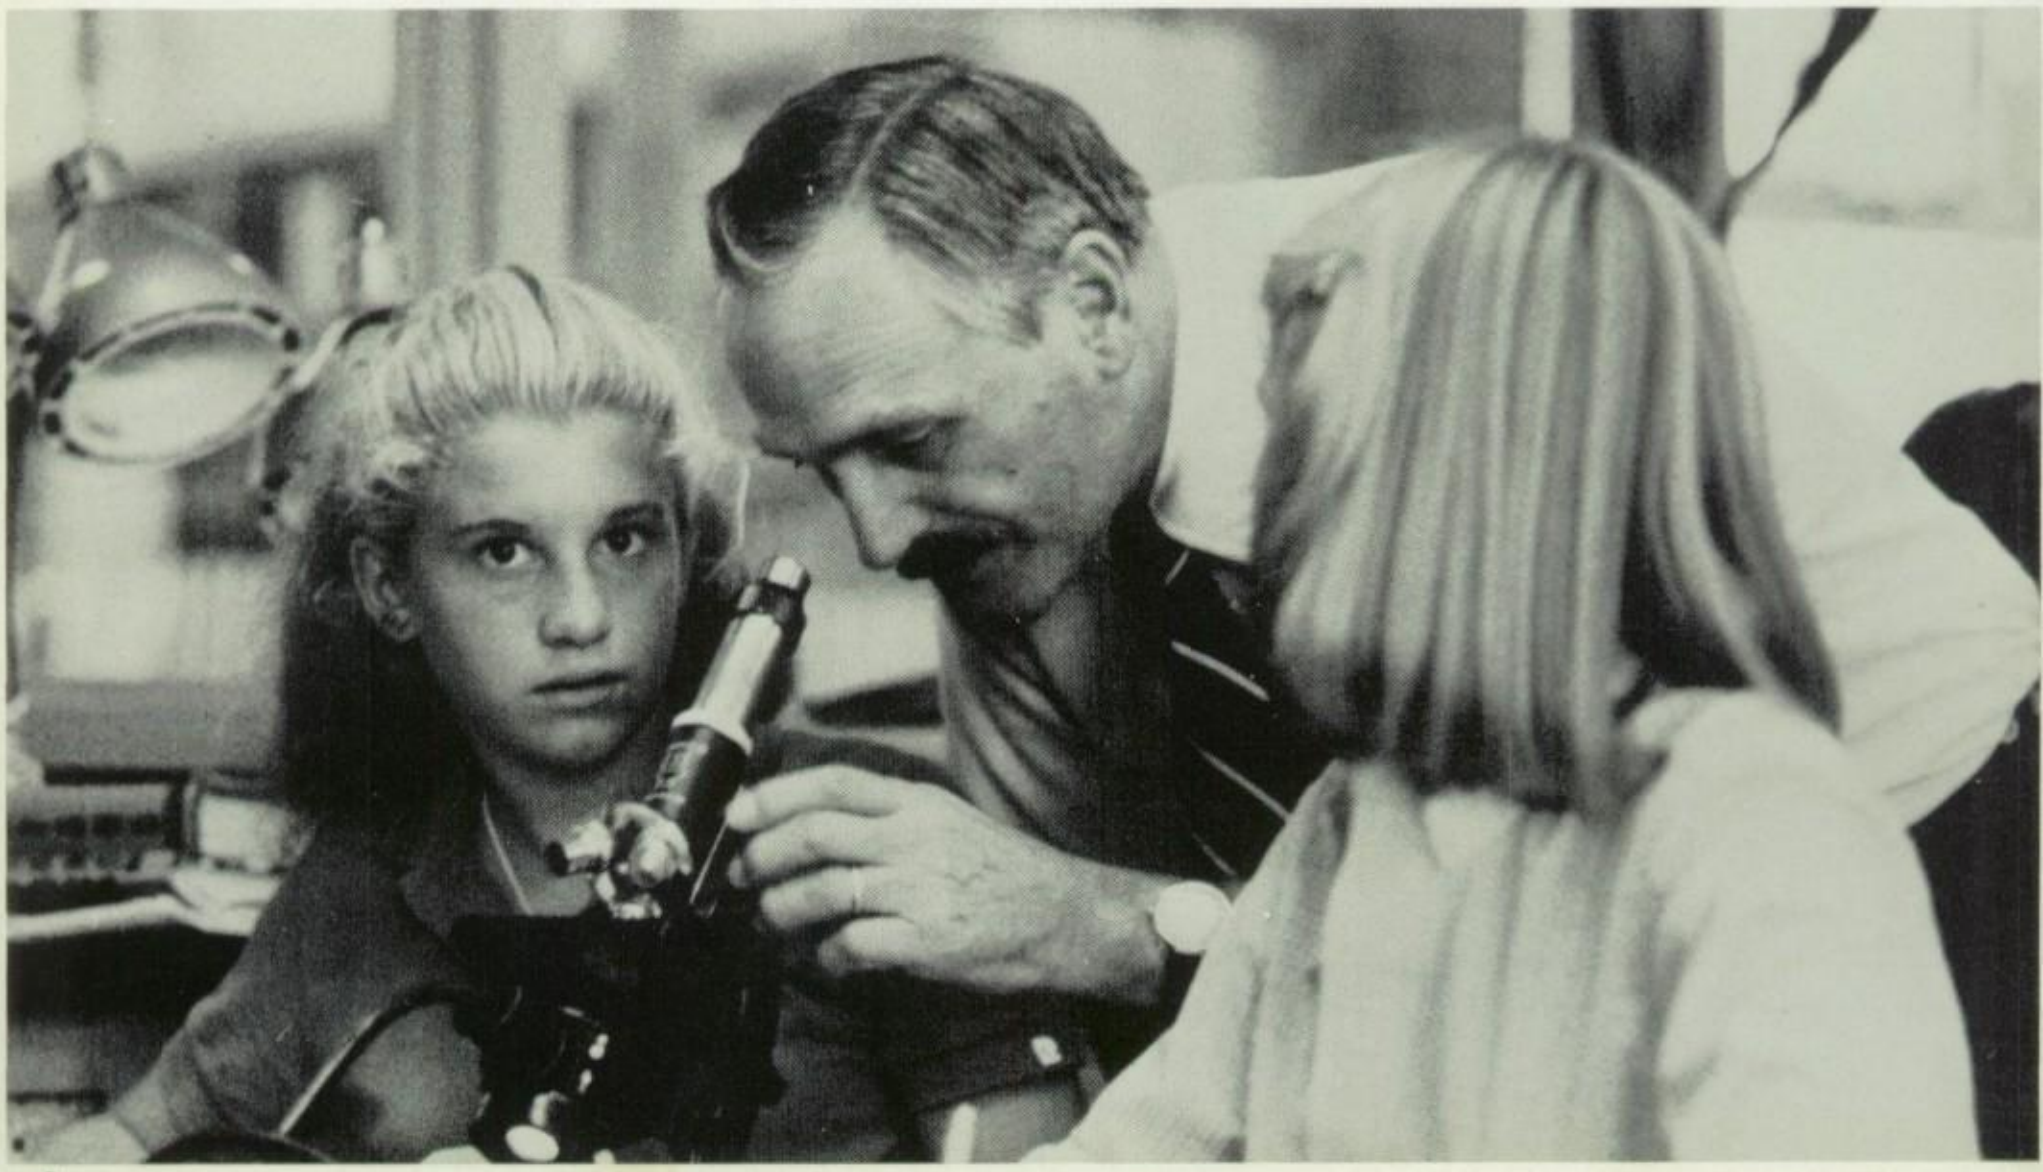
Color Us Friendly

. . . hugging a buddy, congregating between classes, cheering for opponents — after the win, coupling in the hall, being a pair of listening ears, counseling peers, the epiphany of class spirit . . .

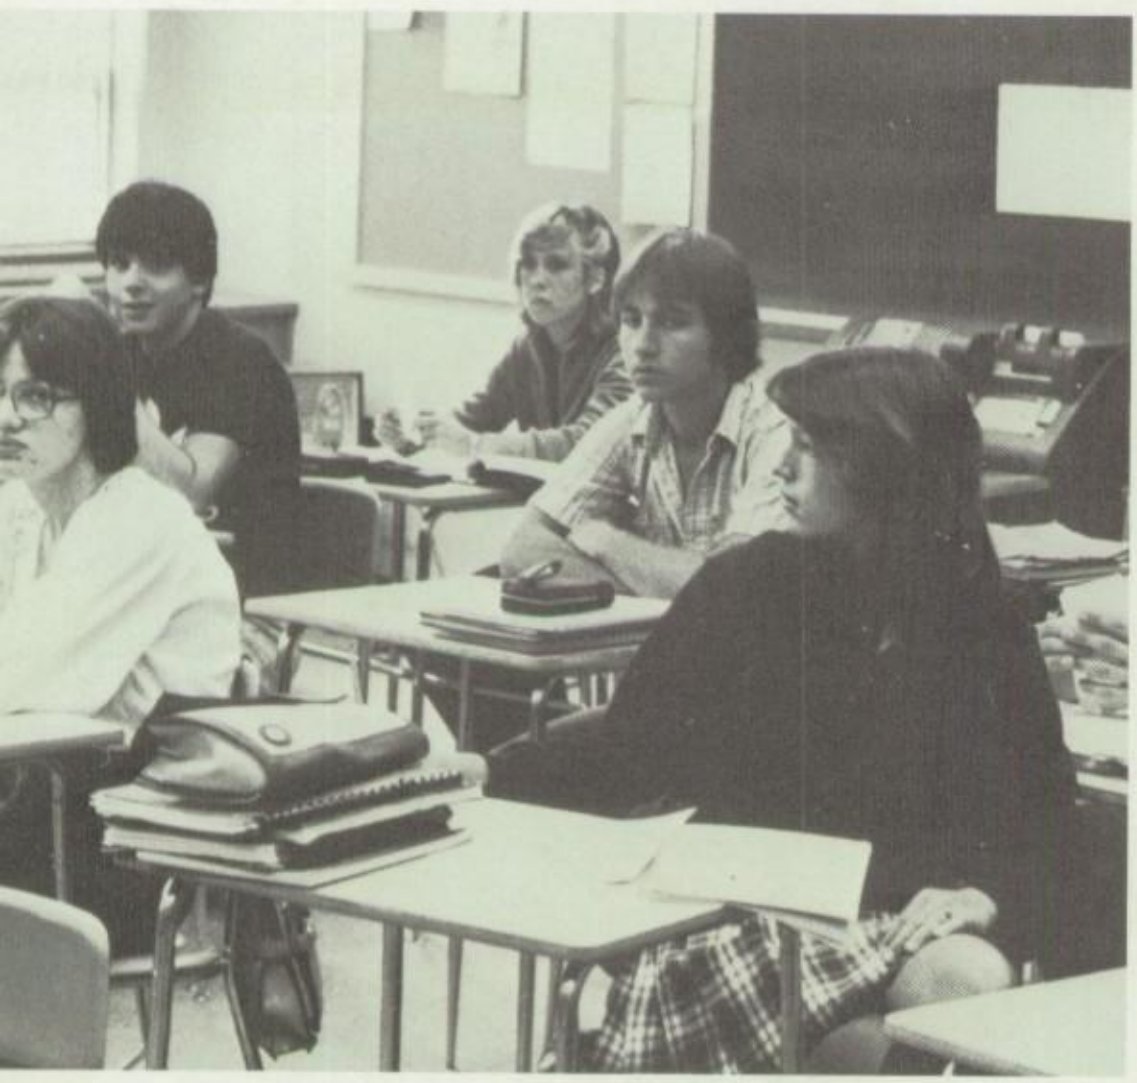


. . . not knowing which key to punch, remembering how to thread a sewing machine, wishing you could see that little organism the teacher keeps talking about, filling out schedules, finding the correct rows during the assembly, locker combinations, hall passes, "Students riding on bus 56 take 322,12 on 741, 15 on 32, 14 on 8; anyone not accounted for must find their own way home" . . .



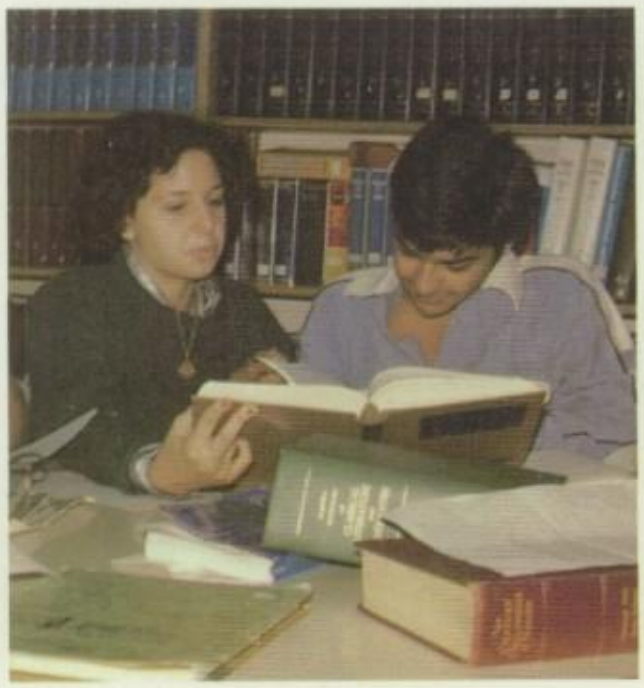


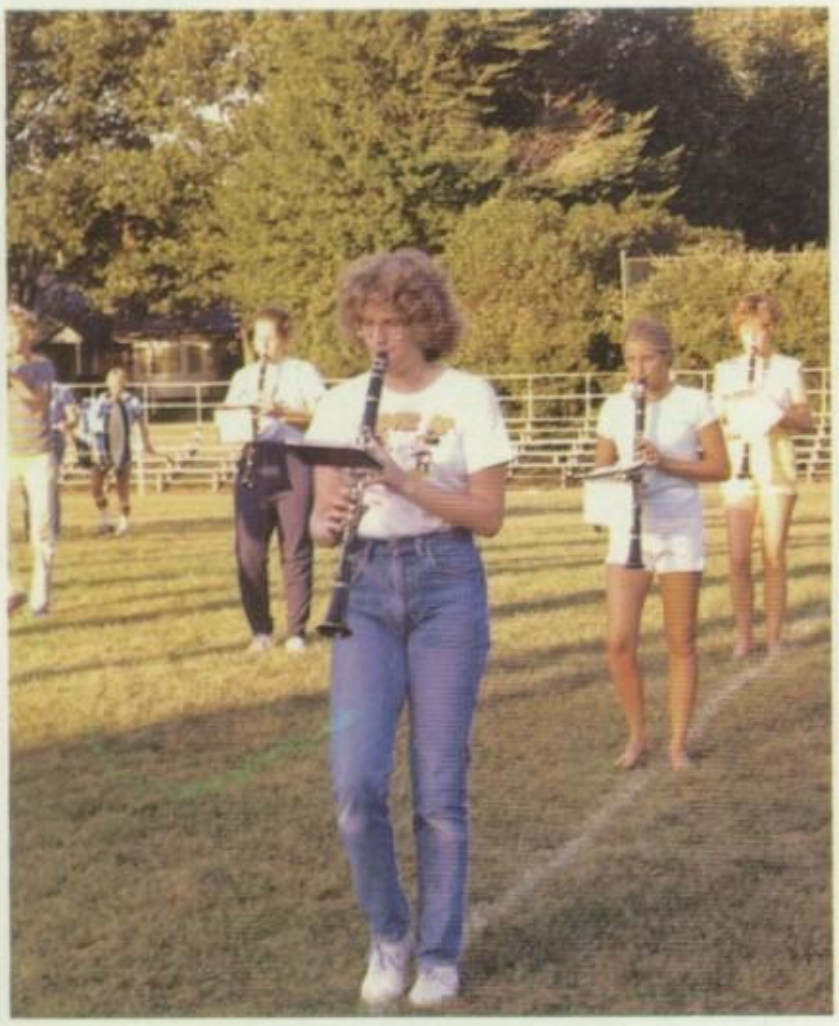
Color Us Confused

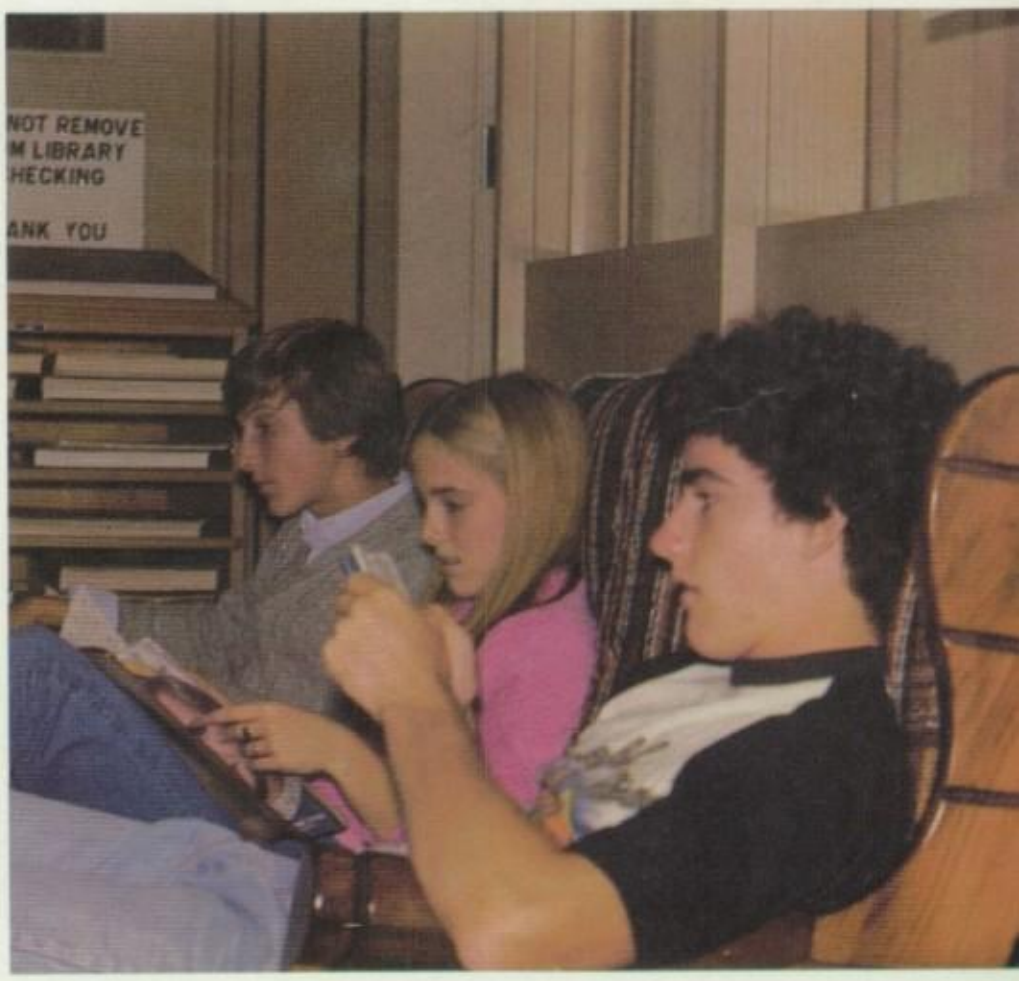


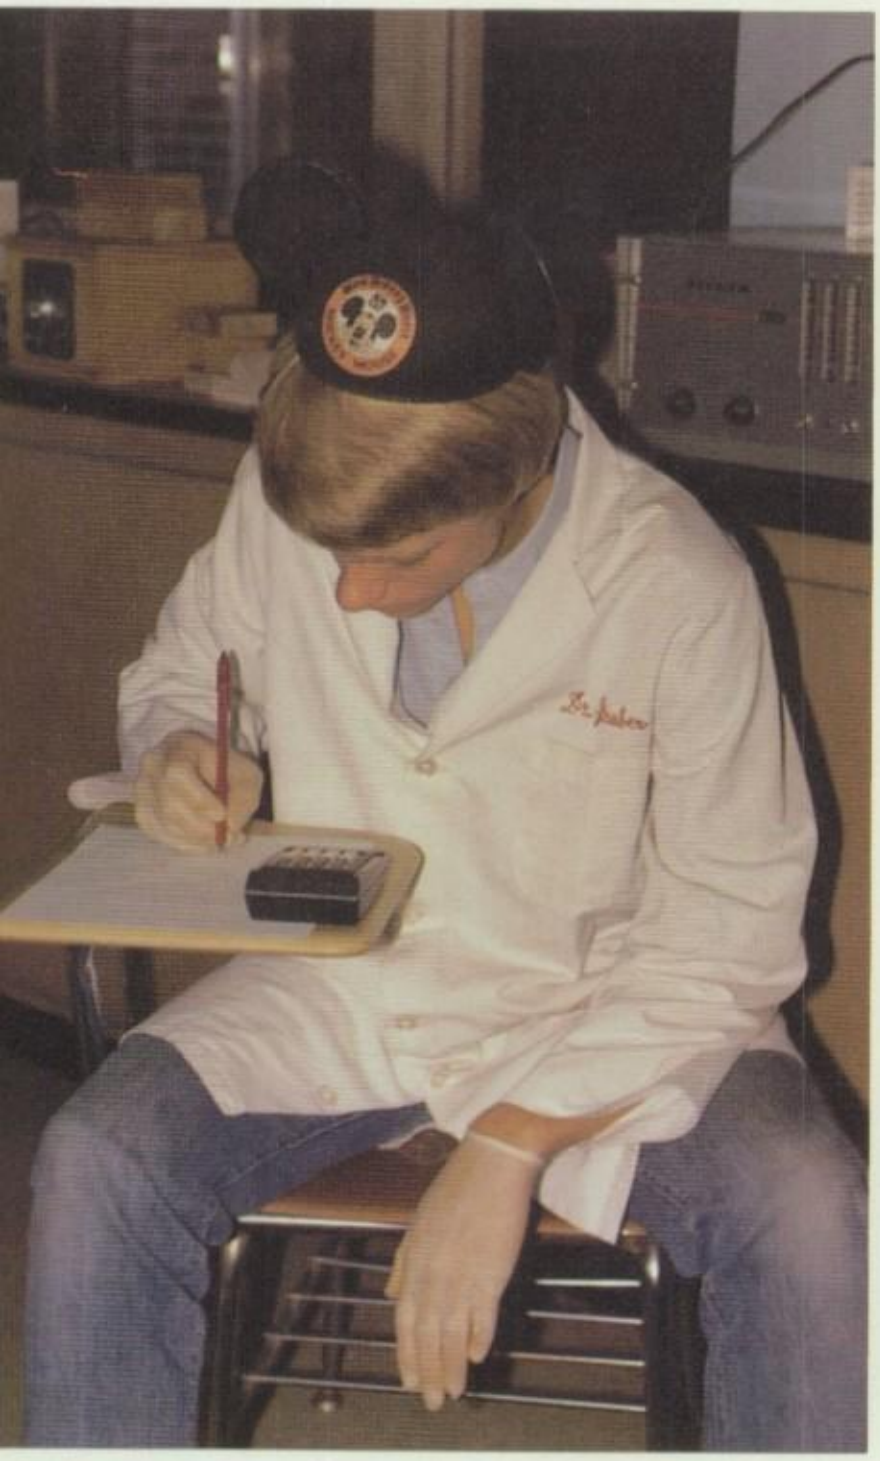
Color Us Serious

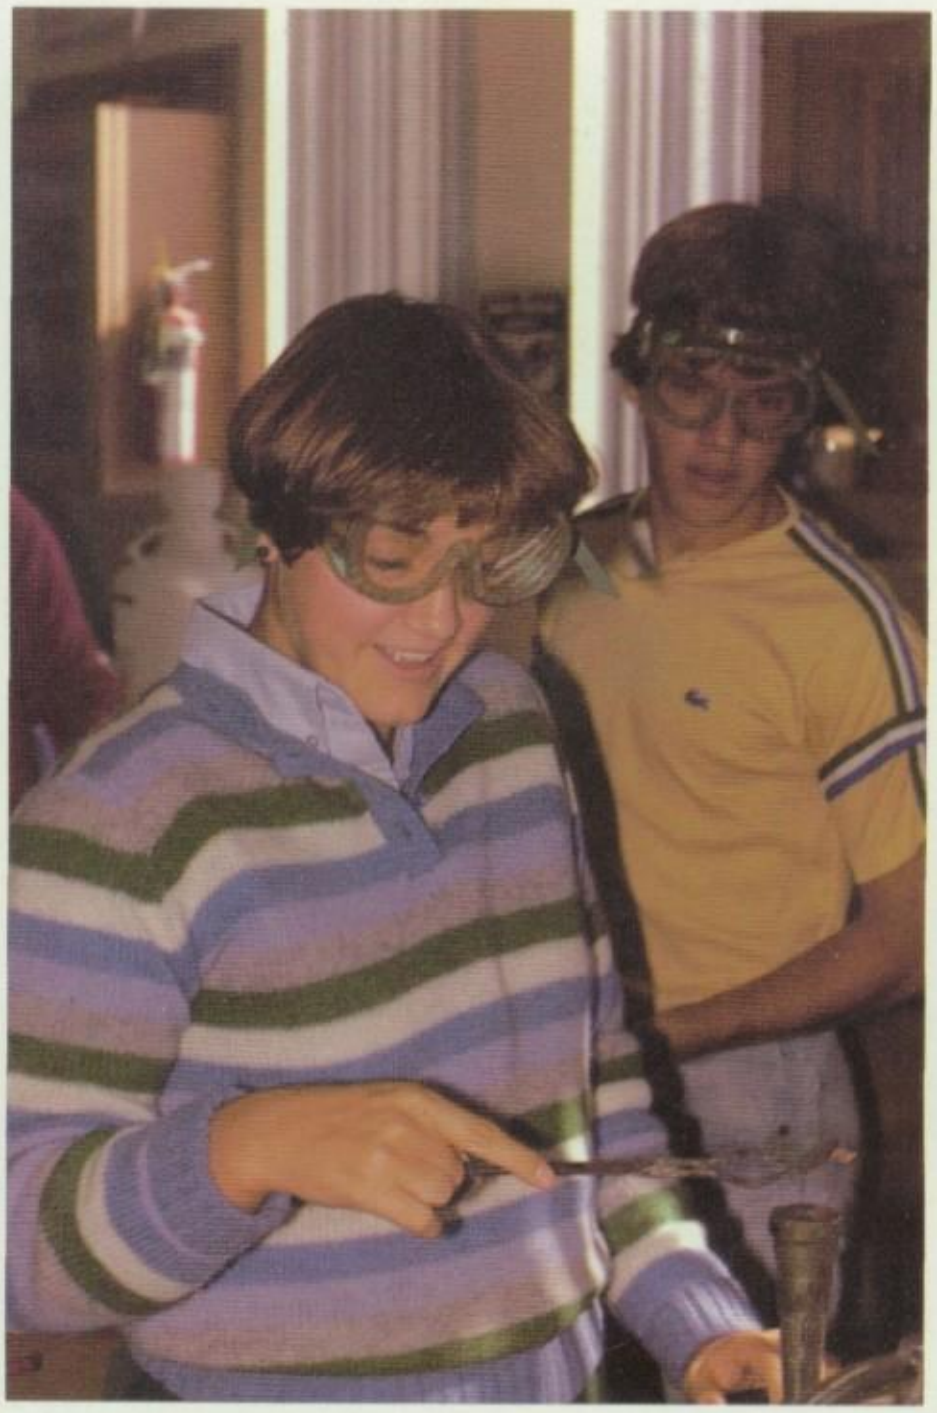
. . . studying diligently for tests, endlessly practicing, perfecting skills, applying to colleges, researching a paper, programing computers, skinning a cat, conjugating foreign verbs, straining for the goal line, that extra effort, PSAT/NMSQT/SAT/CEEB/ ACH/NAP/XYZZZZZ . . .





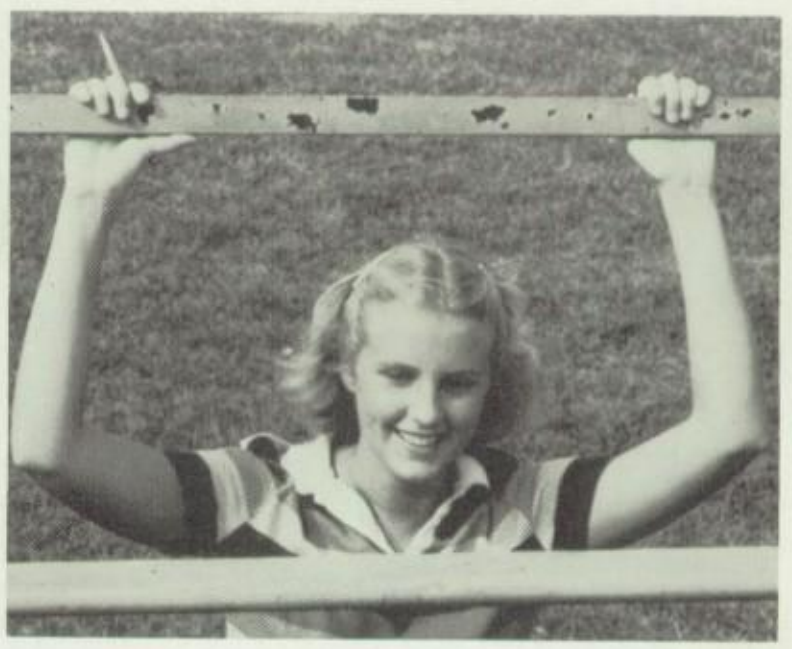






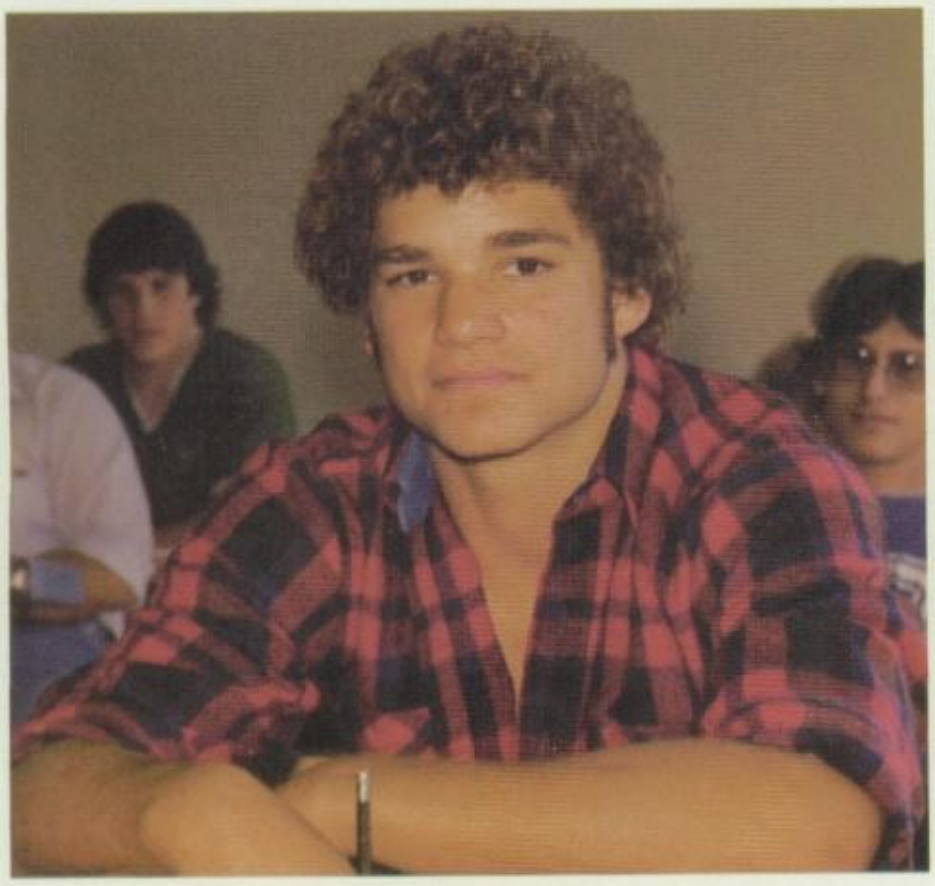
Color Us Happy

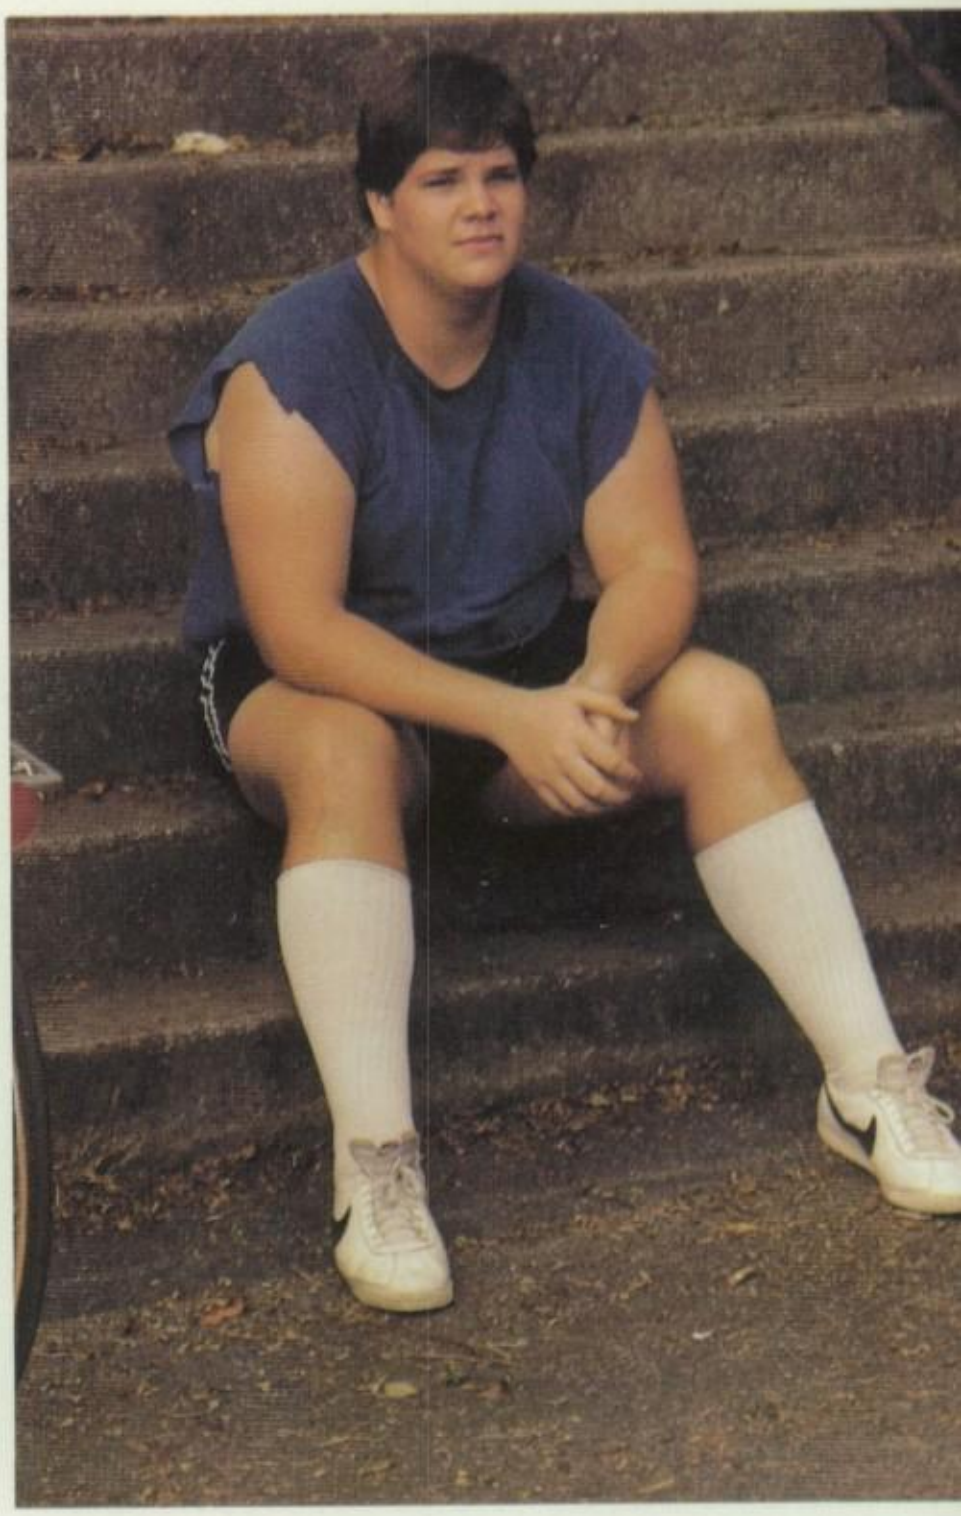
. . . holidays!, going out for lunch, having an early dismissal, making it to 8th period, getting out of detention, guessing unknowns correctly, earning that "A", participating in spirit week, snow days, substitute teachers, June 9, 1981 . . .

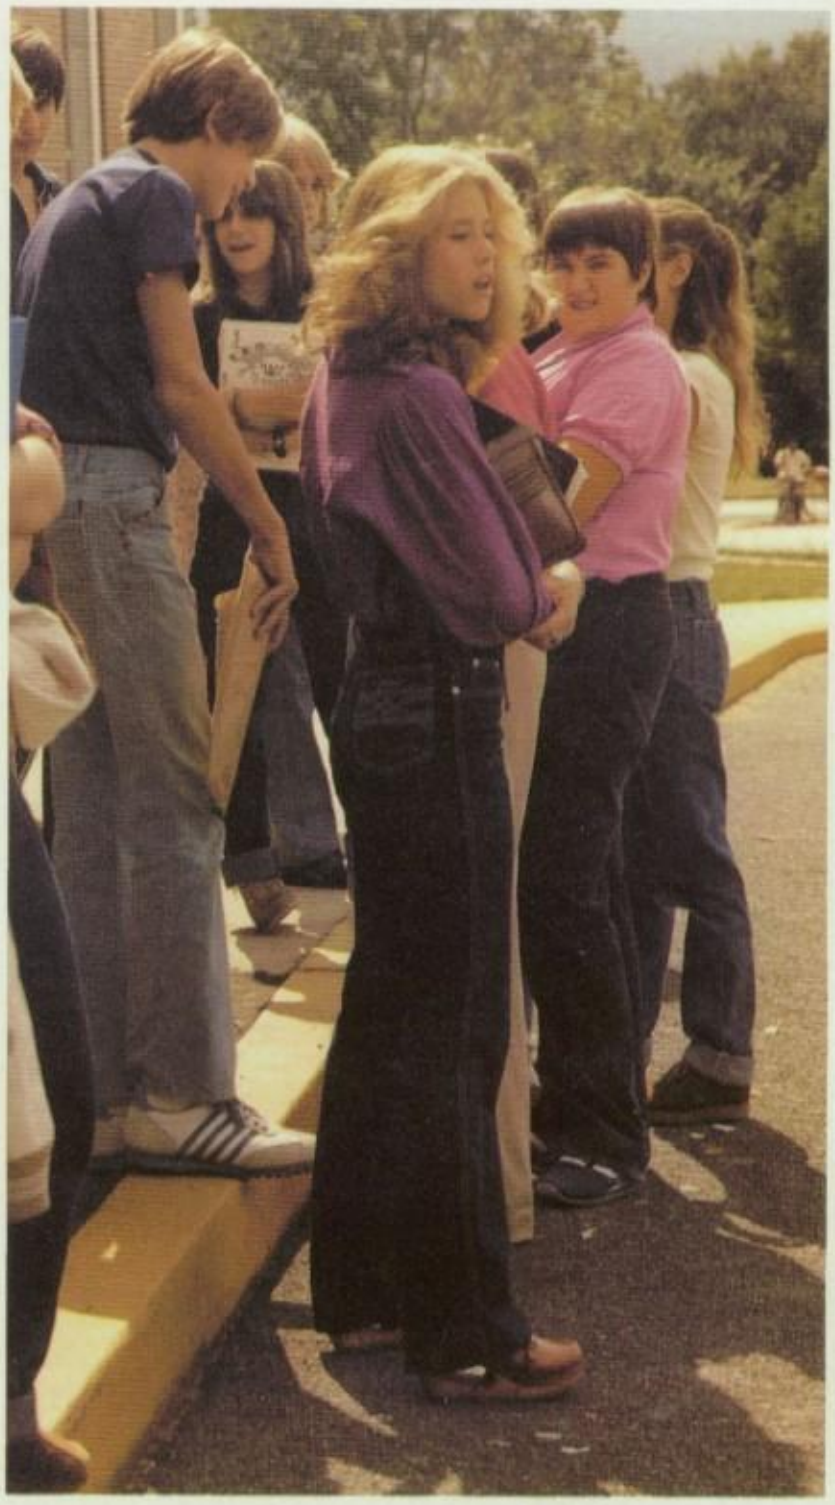


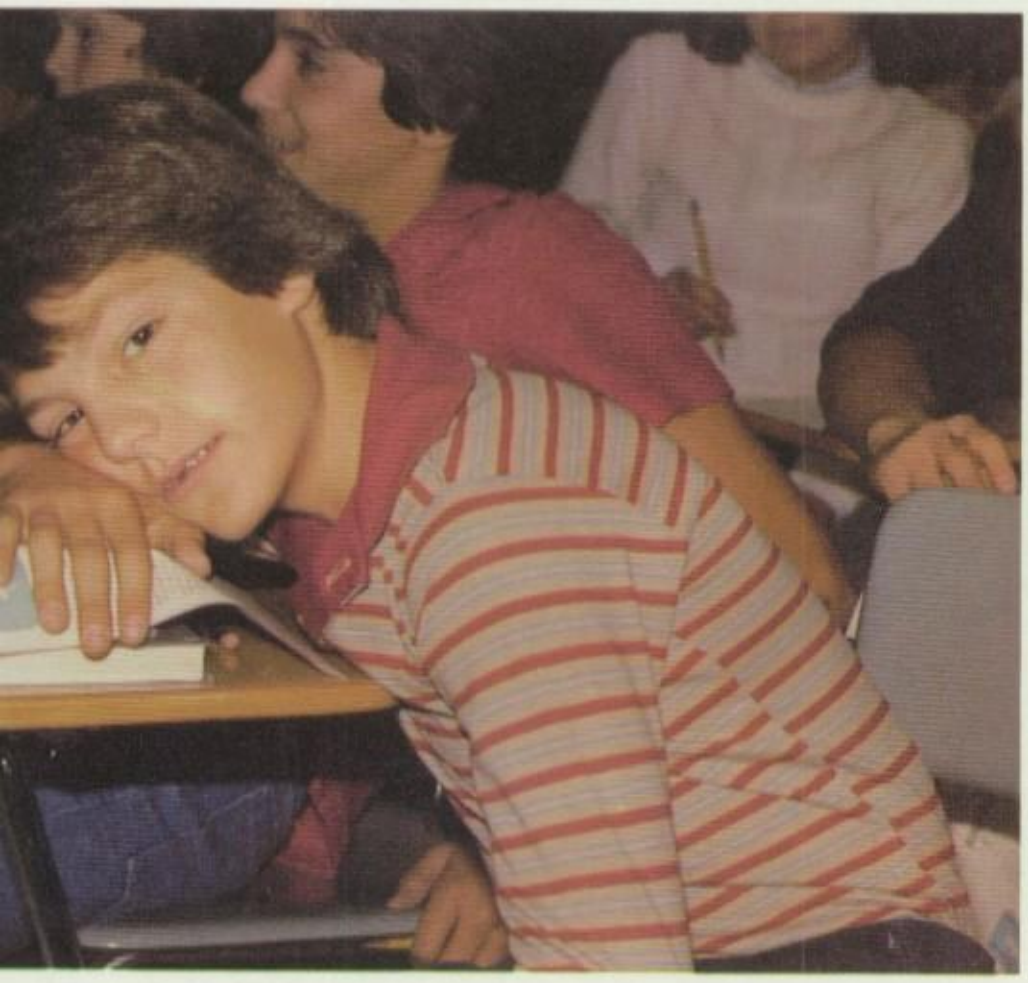
Color Us Bored

. . . monotonous lectures, waiting for the bus, eating lunch in the cafeteria, writing English essays, listening to guest speakers, viewing instructional movies, surveying careers, calculating equations, one more day of vocabulary, the fourth study hall of the day . . .









Color Us Spartans

. . . achieving incredible heights, hanging on no matter what, being something more than a face in the crowd, playing with determination, believing in ourselves, athletes, and spectators showing pride and spirit . . .

Administration Builds for Tomorrow

Continuing to support the top-notch curriculum of Wyomissing, the School Board and Administration provide the best opportunities for Wyomissing's students. This strong curriculum enables each student to find his strengths and weaknesses. The School Board's actions eventually filter down to the most important subject of any meeting: the student. The Administration works to further refine this curriculum. By daily direction and cooperation with teachers, students, and community, the Administration expands the opportunities of this fine high school.

5.

6.

Office Staff Provides Services

The Office Personnel assist the Principal, the Superintendent, and the Directors by keeping records and files well organized. They also assist in operating the switchboard, the readmittance of students and the planning of school events. Their services help provide a more functional school.

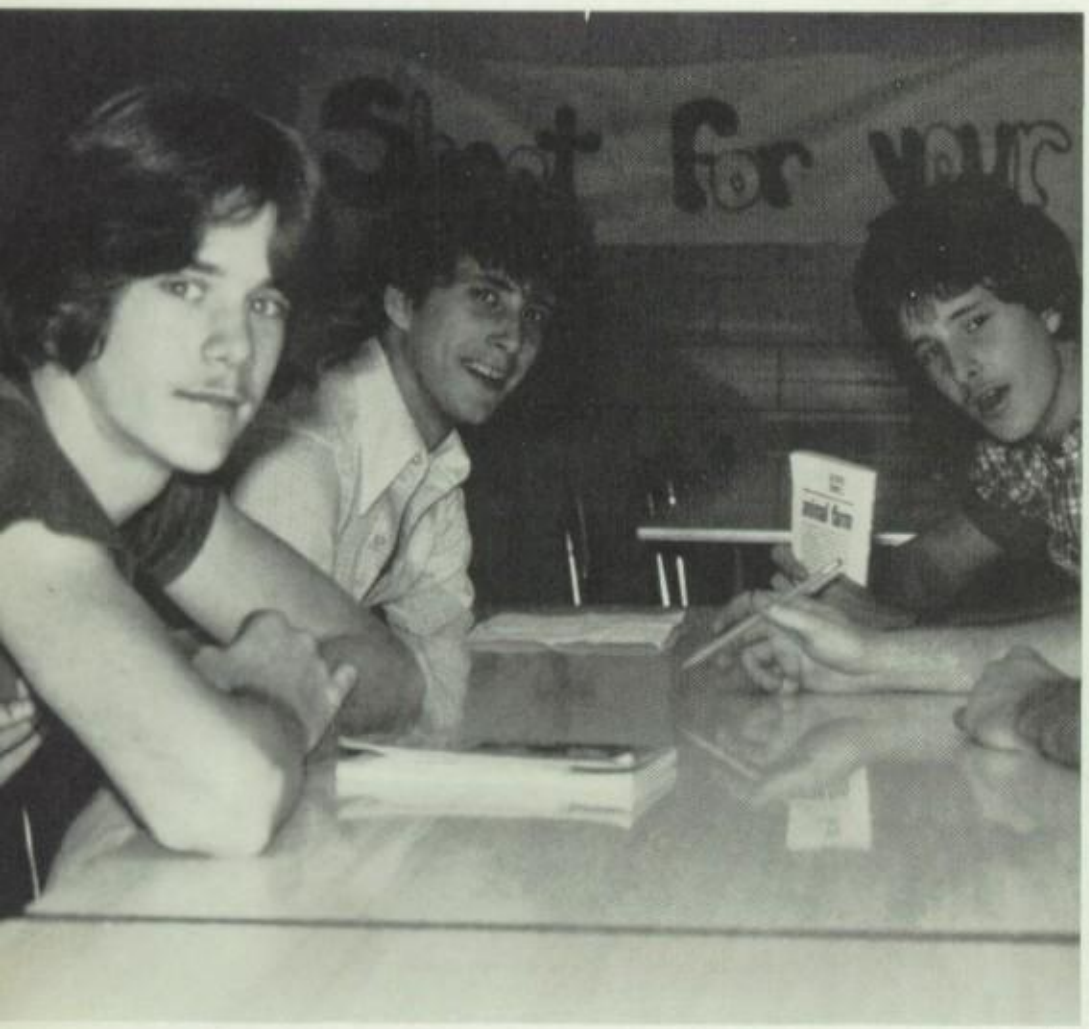
Science Broadens Experiences

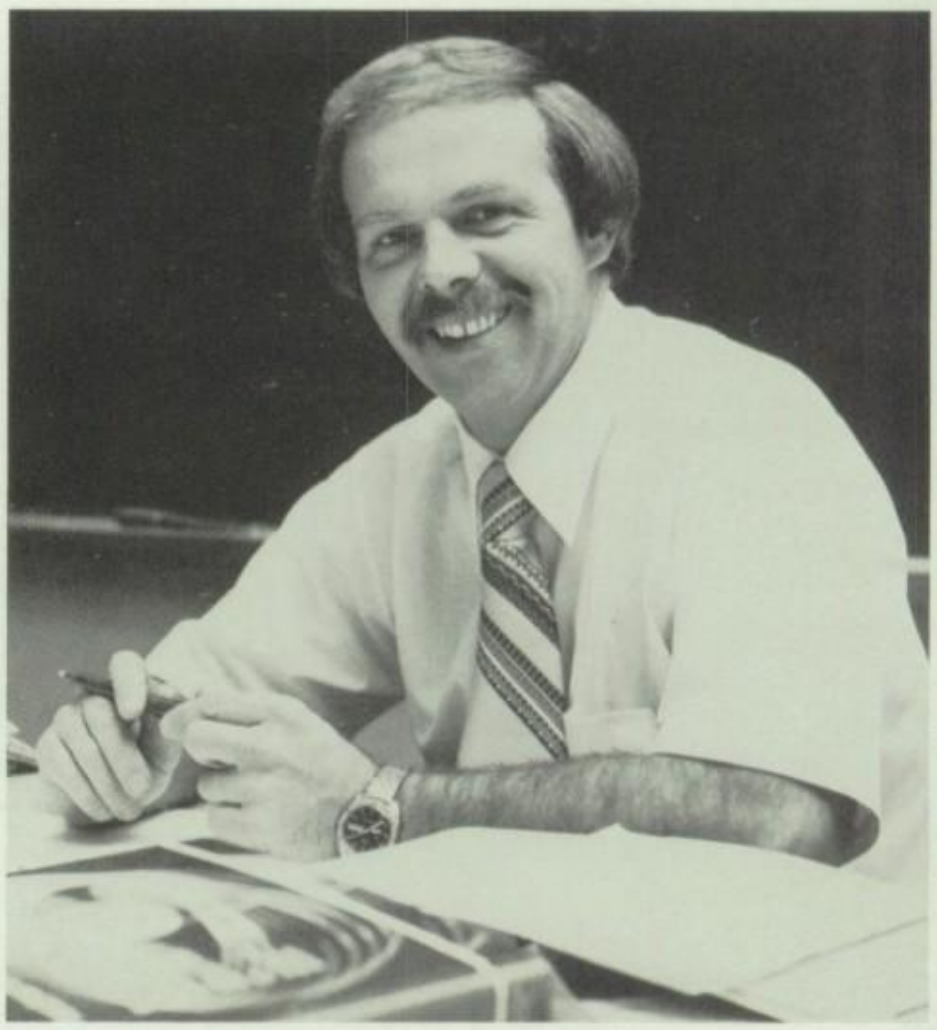
Wyomissing's Science Department provides a basis for individual student's needs. These diverse, interesting courses include: Biology, Chemistry, Physics, Nuclear Science, and a myriad of semester courses all tailored to any general or specific interest of the students.

6.

A Big Stone in the Pyramid — Mathematics



1.



2.

One of the essential building blocks of education is mathematics, and this department does a fine job. Beginning with the freshman courses each student may follow any of three tracts; honors, academic, and general. Furthering the students' needs, two computer programming courses round out the curriculum. Eventually the individual student finds how valuable mathematics really is. This is the final goal of the Math Department.

4.

Social Studies Alerts Students

The comprehensive Social Studies Department offers American Studies I and II for the freshmen and sophomores and an elective program for juniors and seniors.

The Department hopes that this diversity will provide an encompassing education necessary to produce aware and active citizens.

5.

6.

English
An Essential for Tomorrow

The English Department is very diverse in its course offerings. These include general, academic, honors, advanced placement, and numerous minicourses. In providing such a large range of courses the English Department teaches students the fundamentals of composition, vocabulary study and standard usage, while encouraging the enjoyment of literature.

Language Opens Doors

Learning a foreign language exposes the student to outside cultures, not easily found in daily life. By offering four majors: French, German, Latin, and Spanish, each student develops the art of speaking a foreign language proficiently.

The teachers expand their courses to include clubs and extracurricular activities. These clubs include: French, Spanish, Latin, and German, which highlight the year with New York cultural trips, Roman Banquet, and a Fastnacht Festival.

Physical Education Stresses Fitness

The Physical Education Department offers a variety of activities to help students maintain a physically fit body and to change the pace of an academic schedule. Students learn the skills and concepts of various sports while learning teamwork and sportsmanship.

In addition, the Physical Education Department teaches health to the junior class. In this course the emphasis of study is on human anatomy, physiology, and personal awareness.

Business — Wave of Tomorrow

The Business Department aims to meet the needs of an increasing business world. The Business Department helps students to develop marketable skills in secretarial work, accounting, and business law. However, business courses are not only for business majors. Numerous skills are taught to students which are useful in everyday life.

Fine Arts Expand Talents

In the Music Department Mr. Deacon demonstrates a variety of composition through the marching and concert bands, and Mr. Cattell creates the musical flow of the award winning Chorus. Both men share the responsibility of teaching the theory and composition of music to the advanced music class.

The Home Economics and Industrial Arts Department, staffed by Mrs. Wealand and Mr. Stephens, respectively, provide opportunities for students to incorporate these subjects into their daily life and perhaps a satisfying career.

Mr. Raush teaches the mandatory course of Driver Education to sophomores. He also spends driving time with the students.

Mrs. Ritter, in the Fine Arts Department offers art for everyone. The Arts and Crafts course is for the student who enjoys art just for fun, whereas the serious art student may elect the Art Major Course.

8.

Services Supplement Education

The Service Department greatly facilitates the functions of our school. The department ranges from an organized library to the health services and audio-visual facilities. These various services guide and aid the students and faculty in their pursuit of education. This department also introduces students to possible careers through the Library Club, Health Careers and Audio-Visual.

Cafeteria and Custodial Staff Benefit School

The Cafeteria Staff, directed by Mr. James Moser, strives to meet both the tastes and nutritional requirements of the students. In addition to serving good, balanced lunches, the staff aids in school activities such as the National Honor Society banquet, the Marching Band Appreciation dinner, and senior breakfast.

The Custodial Staff, under the supervision of Mr. William Yoder, efficiently maintains a clean environment and completes necessary repairs essential for a healthy school atmosphere. The services of both the Custodial Staff and the Cafeteria Staff are appreciated by all.

Activities

Strike Up the Band

Under the direction of Mr. William Deacon, the 1980-1981 Spartan Marching Unit entertained the audiences at the football games and parades while proudly displaying their new uniforms. In December, the marching band transforms to a concert band and performs in the Christmas, Spring and Pops Concerts. The pep, music and enthusiasm the band contributes to the school makes them truly deserving of the name "Pride and Spirit."

Spirit for All Ages

During Spirit Week 1980 the classes decorated their respective halls to the theme of "Spartan Spirit Throughout The Decades." The Seniors chose the Sixties, Juniors, the Future, Sophomores, the Fifties, and Freshmen, the Wild West. After a hard fought, week long battle, the Seniors emerged victorious with the Sophomores holding on to second, the Freshman class third, and the Juniors, a disappointing fourth.

Homecoming

The Spartans culminated their Spirit Week festivities with the ritual crowning of Homecoming Queen. For the second year in a row, the big moment was postponed by rain. Finally the announcement was made; Gayle Stauffer was crowned 1980 Homecoming Queen by last year's Queen, Kathy Bautsch. Colleen Alberts was chosen Maid of Honor. The remainder of the Queen's Court consisted of Lisa Ferrara, Lisa Llewellyn and Ann Reed.

Sing a Song

Under the direction of Mr. C. Russel Cattel, the Concert Choir participated in various activities. The Choir performed in the annual Christmas, Spring, and Sacred concerts, caroled throughout the Wyomissing Area, and taped a televised Christmas show. The Barbershop Quartet was part of the Bushy Rhoads Barbershop Quartet Contest, and the Chorale appeared before several community organizations.

NHS Honors Students

6.

7.

8.

This year, the Wyomissing Chapter of the National Honor Society inducted sixteen new senior members and fourteen junior members. To become a member, a student must maintain a 3.0 average and display the qualities of character, scholarship, leadership and service. All members were honored at a banquet, where Pennsylvania Senator Michael O'Pake appeared as the evening's guest speaker. Cheryl Hafer received the Allen W. Rank Memorial Award.

No. 6. **ROW 1 — JUNIORS** — H. Gangewere, D. Vehse, J. Tschiderer, D. Hoffman, W. Welch, K. Bautsch, K. Killian, K. Blomquist. **ROW 2** — T. Gray, M. Miller, C. Bemis, C. Jones, A. Bengtson, M. Forester.

No. 9. Mr. John Love, Superintendent; Cheryl Hafer; State Senator Michael O'Pake.

9.

Spartan Scholars

The class of 1981 produced two semi-finalists and ten Letter of Commendation winners in the National Merit Scholarship Qualifying Test competition. The Semi-Finalists are Cheryl Hafer and Kristina Hiehle, and the ten Letter winners are Christopher Bemis, Sharon Clemens, Ralph Dickson, Peter Gruber, Pamela Homsher, Debra Lewis, Scott Rehr, Stephanie Rule, Mary Ann Savadelis and Andrew Uhl.

ROW 1 — D. Lewis, M. Savadelis, S. Clemens, C. Hafer, C. Bemis.
ROW 2 — S. Rule, K. Hiehle, P. Homsher, R. Dickson.
ROW 3 — S. Rehr, P. Gruber, A. Uhl.

1.

1.

Rise and Shine

The function of the Morning Show is to wake up sleepy Spartans with their favorite music and provide them with invaluable announcements. The Class of 1981 would like to acknowledge one of the morning show announcers, Rita Ferrandino, for her representation of Wyomissing Area High School in the 1980 Berks County Jr. Miss Pageant. Rita performed a dance routine to "A Fifth of Beethoven" in the talent competition.

No. 1. R. Ferrandino
No. 2 R. Ferrandino, G. Martin

2.

Artists at Work

The Art Club, under the direction of Mrs. Bonne Ritter, displays their various talents throughout the year. Their projects include painted Halloween pumpkins, ornamented Christmas trees and perpetual diverse exhibits in hallway display cases.

The Student Council, sponsored by Mr. William Dowling and led by President William Schaeffer, maintains communications between administration and students, in addition to sponsoring many events and functions at Wyomissing. These functions include the annual magazine sale, Homecoming and Spirit Week festivities, the PTA Family Fair, Shaner track meet and refreshment stands at football and basketball games.

1. 2.

Friends From Abroad

1.

The International Student Committee, with Mr. Dowling as advisor, welcomes and entertains exchange students attending Wyomissing Area High School. This year, Wyomissing was privileged to host two foreign students, Maikku Launonen from Finland and Anne-Catherine Ihle from Norway. A few of the various activities of ISC are an annual Halloween party, trips to a Hershey Bears hockey game and a Penn State gymnastics meet and Flower Day.

PARTANS

Another Successful Season

The Spartans, coached by Mr. Paris, had another successful season. The Spartans were 5-3-1 in the league and 7-3-1 overall. Led by co-captains Greg Lamey and Chris McKeone, the spirited and determined team scored upset victories over Penn Manor, Schuylkill Valley, Reading, Central, Hamburg, Kutztown, and Conrad Weiser.

The offense was led by sophomore quarterback Marty Stallone and running backs Greg Lamey and Matt Bennis. Seniors Pat Nally and Mike Shanaman fronted the tough Spartan defense.

Offensive award winners were Greg Lamey, Chris McKeone, and Steve Cappozello. All three were named All-County, All-League. Greg was also commended for his defensive performance. Pat Nally, Matt Bennis, and Mike Shanaman were selected All-League and mentioned All-County for defensive performances. Finally, Senior running back Greg Lamey rushed for over 1,000 yards; he is the first Wyomissing back to ever top the 1,000 yard mark. The loss of the Seniors will be difficult, but talented underclassmen promise more good seasons in future years.

Fine Finish for Field Hockey

The Spartan Field Hockey team had a final record of 5-8. With the bulk of the team being Seniors, the Spartans were led by co-captains Lori Kelley and Kathy Flanagan. Despite their 5-8 record, the girls were skilled, spirited, and determined to win. Many of the games were extremely close, ending in flickoffs which have been in effect only recently. The Spartans began their season by participating in the Tulpehocken Field Hockey Tournament. The tournament ended in flickoffs, and the girls brought home a second place trophy. The leading scorer was Pam Homsher with 8 goals. Coached by Mrs. Susan Werner, the Spartans will graduate 9 seniors; yet, with the experience of this year, the underclassmen will make a tough team to defeat in seasons to come.

Strong Finish for Girls

The girls Tennis team ended a successful season with a 9-3 record. In the first half, the girls tallied a 5-1 record losing only to a strong Wilson team. However, the second half produced a 4-2 record and a grudge victory over Wilson. The team, consisting primarily of underclassmen, will return next year with a good chance of capturing a division title.

Spartan Spirit Runs High

The Spartan's invincible spirit displayed itself this year's cross country team. Throughout a disappointing season, the team's determination remained undaunted. Highlighting the season was Dave Hoffman's third place finish in the Muhlenberg Invitational. In addition to this meet, the team also competed in the Berks Conference Run, the Salesanium Invitational, and District III. Since the team consists entirely of underclassmen, Coach Gottshall should lead a strong team next year.

Driving for the Future

Under the direction of first year coach Dale Reigel, the 1980 golf team compiled a 1-7 record. This does not seem too impressive until one realizes the age of the team members. With only one senior, Larry Medaglia, graduating, prospects for future success seem good. This year's team was lead by Juniors Rich DeLucia and Dave Kamen and sophomore Jeff Seasholtz as the Junior Pair qualified for Districts through fine County Tournament performances. In post-season play, sophomore Wendy Krick placed third in the girls County Tournament and eighth in District III. With a talented underclass, golf is driving for the future.

Number 4 in Penna.

The Varsity Girls Basketball Team once again excelled, having its best season ever. Although always noted for great spirit and sportsmanship, this year's team truly distinguished themselves in these areas. The defeat of a strong Reading team highlighted the regular season. Senior starters Sue Richards. Leith McKemy, Becky Batdorf, Barbara Berry, and Junior Lisa Seidel Powered the Spartans to a 15-5 regular season record.

In post season play, the girls really caught fire. In District III, they went as far as the semifinals before losing to the eventual champion, Camp Hill. Qualifying for interdistrict play, the girls posted wins over Lackawanna Trail, Halifax, and Lebanon Catholic to reach the Eastern State Final against Mid-Valley. This loss to Mid-Valley by 44-57 still was good enough for a fourth place finish in the state Class A tournament. The 1980-81 Spartans have the distinction of being the most successful girls' team in Berks County history. Congratulations!

J.V.'s Prepare for Future Competition

Although a 7-13 record reflects he Girls J.V. Basketball Team's performance, it is a great mprovement over last year's nexperience. Coach Noon did a good job in teaching the fundamentals so necessary for varsity competition. Mr. Ecker will look o these girls to fill the vacant spots left by this year's seniors.

The J.V. Boys Basketball Team had a very successful season in Mr. Deem's first year as coach. They compiled a 14-5 record with two of the losses against a powerful Reading team. The large number of juniors on the team indicates an experienced group to fill next year's varsity team. With this talented underlcass, 1982 could prove to be a very successful season.

2

Season Ends Under .500

The Varsity Boys Basketball Team suffered a disappointing regular season with a 10-11 record. Starters Mike Grant, Tom McDonough, Tom Fey, Rod Poore, and Mark Bowen led the team for the first half of the year until injuries forced Mike and Rod to the stands; Greg Lamey and Marty Stallone filled out the starting team for the rest of the season.

In the District III, Class A Playoffs, the Spartans managed a first round victory over Brandywine, 68-48. In the quarter-finals the team lost to the second seeded team Camp Hill, 42-47. Although eight seniors will graduate, a very successful J.V. team should guide next year's team to a better season.

District Competitors

Individual District III and state competitors were represented by gymnast Dan Vehse, swimmer Kris Leathery, and diver Dawn Scott.

In District III competition, Senior Dan Vehse placed seventh in the vault and eleventh in the floor exercizes. Sophomore Kris Leathery swam to a silver medal in the individual medley and a bronze in the 100m breast stroke. In the state meet she finished twelfth in the 200m individual medley and thirteenth in the 100m breast stroke. Senior diver Dawn Scott captured fifth place in the District meet and qualified for the state meet where she finished eleventh.

Quality High Quantity Short

The Wrestling Team had a difficult season because of being unable to fill all 12 weight classes. As a result, every match started with two or three forfeits. Despite great individual performances in the weights filled, the team was able to manage two victories. The senior members had to carry the team but spotting your opponents twelve to eighteen points was just too much.

In post season cometition, the wrestlers fared much better. D. Stoyer, C. McKeone, M. Shanaman placed third and P. Nally placed fourth in Section III. Jeff Prutzman won the Section III tournament and went on to capture the silver medal in the District III 138 lb. Competition. Continuing in the state tournament, Jeff wrestled his way to a seventh place finish.

We hope Coach Prutzman will be able to attract more boys for next year.

Bowlers Roll Along

The Boy's Varsity Bowling Team was fairly successful this season. Strong individual performances by junior Rich DeLucia paced the team. Wyomissing should also present a strong team next year as most of the team were underclassmen.

No. 1. Team — ROW 1 — M. Mundel, T. Dunlap, J. Hewitt, C. Orzech, S. Weitzel. **ROW 2** — M. Smith. **ROW 3** — J. Barey, R. Skokowski, R. DeLucia, Coach Dowling, T. Metz, G. Skokowski, C. Kachel.

1.

The Girl's Varsity Bowling Team was led by senior Debra Mazurkiewicz. She has been a consistent performer in past seasons and 1981 was no different. Seniors Cheryl Hafer and Heidi Siebach also made significant contributions to the teams success. A talented underclass group will help to assure wins next year.

Girl's Bowling

Underclass

Freshmen Feel at Home

After the first few confusing weeks of school, the Freshmen got into the spirit of things. During Spirit Week they displayed their talent by earning themselves second place in the decorating of their hall under the theme of the Wild, Wild West.

Sophs — Special Spirit

The class of 1983 added a "Special Spirit" to school activities this year. They decorated their hall to the theme of the "1950's." Their spirit and enthusiasm are traits which predict an excellent Junior Class for next year.

Vo-Tech and D.O.E.

A choice of thirty programs offered at the Berks Vocational Schools readies the Wyomissing Area Vo-Tech students for future occupations. After a morning at the Vo-Tech in Oley or Leesport, the students return to the high school to supplement career training with academic work. The DOE program offers on the job training to seniors, they attend one DOE class weekly to discuss their jobs. Both programs prepare the students for the responsibilities of a job immediately after high school.

What's That Promise That You Made?

Uncover and open the dusty tomb,
That contains my frenzied future,
Let me fire the simmering flame,
That sparks my chartered destiny,
It's time to laugh, it's time to cry,
What's that promise that you made?

I'm tired of being in the park
Hidin' out in the park dark,
Let me walk the path,
Which binds the world; the universe,
What's that promise that you made?

Just a mannequin in the window,
A babe doe hiding in the bush
How much do you trust the lock,
That keeps others out . . .
But locks you in?

It's time to live, time to try,
Let my wide eyes catch the light,
The wind is free, why not me?
What's that promise that you made?

Peter Bauer
Class of '80

ACKNOWLEDGEMENTS

We did it! We have combined eighteen years of intellectual growth to form the 1981 Colophon. Despite the many pitfalls confronting us in our endeavors to produce our yearbook, we have survived, and we have succeeded.

I appreciate this long-overdue opportunity to thank all those people who were instrumental in bringing forth this yearbook. I especially extend my thanks to Mr. Charles Bell for all the advice and assistance he gave us, and to Mr. Gebensleben for his financial counsel. In addition, I wish to express my appreciation to Mr. Edward Patrick, Taylor Publishing Company and to Mr. Robert Raspbridge, Purdon House of Photography. I am particularly grateful to Mr. Harold Messer for his "photographic agility."

Last but definitely not least, I wish to acknowledge the most important people of all — my staff . . . with special thanks to my assistant editor, Rita Ferrandino.

Cheryl L. Hafer
Editor

To the ancient Greeks, the "Colophon" was an inscription placed at the end of the manuscript with facts relative to its production. The 1981 Colophon staff has attempted to capture the events in spirit of its senior year at Wyomissing Area High School. We affix this "Colophon" inscription — an identifying symbol of excellence signifying the termination of an accomplished endeavor — in hope that our yearbook has merited this mark of excellence.

1981
